EDUCATION

Bachelor of Technology in Computer Science

Dev Bhoomi Uttarakhand University

Expected to graduate in 2028

GPA: 7.8% or 8%

:-Currently completed 2nd year.

High School Diploma

Holy Public School

2018-2022

CGPA:7.8

PROJECTS

- **Digital Calculator:** Developed a calculator application capable of performing basic arithmetic operations with an intuitive user interface.
- **Typing Speed Test:** Built an application to measure typing speed and accuracy, helping users improve keyboard proficiency.
- **Sudoku Game:** Designed and implemented a Sudoku game featuring puzzle generation and validation logic.
- **Snake Game:** Created the classic Snake Game using programming concepts such as loops, conditions, and event handling.
- **Gym Management System (Ongoing):** Developing a management system to handle member registration, subscription tracking, and database management, applying Java, SQL, and DBMS concepts

OBJECTIVE

Motivated B.Tech Computer Science Engineering student with knowledge of Java, C, HTML, CSS, SQL, and DBMS. Experienced in developing projects such as a Digital Calculator, Typing Speed Test, Sudoku Game, and Snake Game. Currently building a Gym Management System to strengthen software development and database management skills. Seeking internship opportunities to apply technical knowledge and gain industry experience.

TECHNICAL SKILLS

- PROGRAMMING LANGUAGES: C, JAVA
- WEB TECHNOLOGIES: HTML, CSS
- DATABASE: SQL, DBMS
- TOOLS: VS CODE, GIT (IF LEARNED)
- CONCEPTS: OBJECT-ORIENTED PROGRAMMING (OOP), DATABASE MANAGEMENT SYSTEMS

Personal Portfolio Website

Developed a responsive personal portfolio using HTML and CSS.

Designed user-friendly layouts and navigation.

Showcased personal information, skills, and projects.

Soft Skills

- :Problem Solving
- :Teamwork
- :Communication
- :Quick Learning
- :Time Management

Achievements

- :Solved coding problems on online platforms.
- :Participated in technical workshops and seminars.
- :Active learner of software development technologies.

VOLUNTEER EXPERIENCE

- **Created a basic student record management application.**
- **Implemented CRUD operations using Java and SQL.**
- **Managed student data efficiently.**
- **Assisted in organizing college technical and cultural events.**
- **Collaborated with student teams to manage event operations and participant support.**
- **Demonstrated teamwork, communication, and organizational skills through active campus involvement.**
